

Cityscaping comments from suggestion box 7/15/08:

- 1) The tall building forms a barrier wall to the new office building – put a hole on the tall building (center) or move it.
- 2) WE WILL NEED PARKING!!!
- 3)
 - a) Presentation on change needs clearer explanation from present to what will be
 - b) Continue to repeat overall presentation, not just address individual questions. After the overall talk, then take questions.
 - c) The model has a key with the old/present look and no key for the new look.
 - d) The buildings etc. are not labeled.
 - e) No mailing of info to let employees know about the event
 - d) No name tags for employees working with the project.
 - e) Parking is very important! Despite the % from the survey.
